EDUCATION

Master in Computer Applications (MCA)

Bharati Vidyapeeth

CGPA: 7.81

June 2023 – August 2025

Karad, Maharashtra

Bachelors of Computer Science (BCS)

Karmaveer Bhaurao Patil College

CGPA: 8.78

June 2019 – March 2022

Urun-Islampur, Maharashtra

EXPERIENCE

Crenvotech Solutions Pvt. Ltd.

Software Development Intern

Pune, Maharashtra (Remote)

Jan 2025 – July 2025

- Migrated a static **HTML** website to **Next.js** to enhance performance and **SEO**, and implemented **AI-driven content localization** using **IP-based geolocation** and **AWS Bedrock (Anthropic)**.
- Created a dynamic, user-friendly delivery interface using **React.js**, inspired by **Swiggy Genie**, optimized for seamless user experience.
- Developed a **Learning Management System (LMS)** using **React.js** and **Node.js**, enabling employee-specific course tracking and automated progress updates.
- Integrated **Google Maps APIs** into a restaurant website using **Next.js** to provide real-time location detection and route mapping.

SKILLS

Programming Languages

Front-end Technologies

Backend Technologies

Databases

Tools / Platforms

JavaScript, C++, Java, Python, HTML5, CSS3

React.js, Next.js, TypeScript, Redux, TailwindCSS, Bootstrap

Node.js, Express.js

MySQL, MongoDB

Git, Postman, Vitest, VS Code, Photoshop

PROJECTS

SkillCheck | *React.js, Node.js, Express.js, MongoDB, Google Gemini*

Live | GitHub

- Built an **AI-powered learning app** using **React**, **Node.js**, **Express**, **MongoDB**, and **TailwindCSS** with **secure authentication**.
- Integrated **Google Gemini API** to enable **PDF study-material processing**, allowing users to ask queries and generate **AI-driven quizzes** and **practice questions**.
- Implemented a **quiz management system** to **store quizzes**, track scores, and deliver **personalized learning insights**.

CodeDrop | *React.js, Node.js, Express.js, MongoDB*

Live | GitHub

- Developed a full-stack **CodeDrop application** using **React**, **Node.js**, **Express**, **MongoDB**, and **Tailwind CSS** with **secure user authentication**.
- Integrated a **Markdown editor** enabling users to create, edit, and format **rich text documents** with real-time preview support.
- Implemented complete **CRUD operations** for document management, ensuring efficient **data handling**, **version safety**, and streamlined user workflows.

COURSE WORK

- Data Structures and Algorithms
- Object-Oriented Programming
- Computer Networks
- Web Development
- Database Management System
- Operating System
